

TECHNICAL DATA SHEET

Disinfectant surface cleaner

Art. no. 0893 764 05

P. Qty.: 1

Reliable at fighting microbes, bacteria, viruses and fungi

Contents	5 l
Weight of content	4.5 kg
Chemical basis	Water, ethanol and propanol
Smell/fragrance	Alcohol
Colour	Colourless
Min. flashing point	33 °C
pH value	7.7
Density	0.95 g/cm ³
AOX-free	Yes
Bio-degradable	Yes
Silicone-free	Yes
Shelf life from production	12 Month

Notice

Take care when using biocidal products. Always read the label and product information before use.

The usage instructions are recommendations based on the tests we have conducted and on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result. If our free customer service provides technical information or acts as an advisory service, no responsibility is assumed by this service except where the advice or information given falls within the scope of our specified, contractually agreed service or the advisor was acting deliberately. We guarantee the consistent quality of our products. We reserve the right to make technical changes and further develop products. Biocidal product, registration number N-58777
