Car and Window Chamois

Fields of application:

Suitable to clean windows and for car paint maintenance after a car wash. The leather absorbs all water drops still on the surface without leaving any streaks.

Properties:

- Absorbent
- Lint-free
- Easy-care
- Long service life

Application:

Chamois should be semi-dry for use.

For a longer service life, we recommend washing the chamois directly after use. Do not use any acids, chemicals or other grease-dissolving cleaning agents.

Wring and spread out the chamois to let air-dry. Do not leave it on a heater or in the sun.
